Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

STUDENT'S RIGHT TO CANCEL

Cancellation & Withdrawal Policy

STUDENT'S RIGHT TO CANCEL. The student has the right to cancel the agreement for educational services and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the agreement is cancelled, the School will refund any money that was paid within 30 days after notice is received. Cancellation occurs when written notice of cancellation is given to the School at the address specified on the Agreement. The Notice of Cancellation, if mailed, is effective when deposited in the mail, properly addressed, with postage prepaid. If the student is rejected for training, or if a course is cancelled, the student will receive a full refund. If the student withdraws, all tuition, fees and other charges shall be refunded on a pro rata basis, less a registration/administrative fee of \$100 and STRF Fee.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Once purchased, books and supplies become the property of the student and no refund is made. The student has the right to withdraw from the School at any time. If the student withdraws from the course of instruction after the cancellation period as stated above, the School will remit a refund less a registration fee not to exceed \$100.00 within 30 days following withdrawal. The student is obligated to pay only for educational services rendered.

Refund Policy

The refund shall be the amount paid for instruction multiplied by a fraction; the numerator is the number of hours that was not received but which was paid; the denominator is the total number of hours of instruction for which the student has paid. If equipment was received and returned in good condition within 30 days following the date of withdrawal, the School shall refund the amount paid for the equipment. If equipment was received and the student failed to return it in good condition within 30 days following the date of withdrawal, the School may retain the documented cost of the equipment. The student is liable for the amount, if any, where the pro rata or documented cost of the equipment exceeds the refund amount. If the student has paid more than they owe, a refund will be issued within 30 days of withdrawal. If the amount owed is more than that which was paid, arrangements must be made to pay the difference. If the school cancels or discontinues a course or education program, the school will make a full refund of all charges. The school will also refund money collected for sending to a third party on the student's behalf such as license or application fees.
